### IMPORTANT NOTICE

This advertisement complies with the legal requirement for the surgeon general's warning statement and a "not a menthol cigarette" statement on all cigarette advertising. Check proofs and retain whenever you receive them to make sure they match exact prior language. Circumstances sometimes require minor changes. Please do not copy or alter any part of the original copy. If you have any questions concerning the preparation of these materials or any aspects of the insertion order, please call the office of the insertion agent or your sales representative, or the advertising agency. These materials may be used only in publications paying a cover rate for the period July 1 through September 30. No part of these materials may be used after September 30, except where otherwise specified.
